We Can Raise the Bar

- ✓ Romero Park is in Ward 1. We must complete it and make it as beautiful and functional as any community park in Cheyenne.
- ✓ The Ice Center is in Ward 1. We must make better use of a first-class facility.
- ✓ The Civic Center is in Ward 1. We must get it to a point of profitability where it pays for itself and offers more varied and affordable entertainment for all residents.
- ✓ The new Norris Viaduct empties into Ward 1. We must not allow graffiti to find a canvas on this impressive viaduct.
- ✓ The downtown is in Ward 1. We must find ways to fill empty and abandoned buildings and bring the downtown back to its past vitality and attraction.
- ✓ The Depot is in Ward 1. We must finish the promised fountain on the west side of the Plaza.

George Halyak

Will represent your interests in solving these problems and completing these projects.
