# Our Community

## Keep Pets Safe

The Cheyenne Animal Shelter would like to remind pet owners to take special care of pets during Cheyenne Frontier Days™. Cheyenne isn't the quiet community we're used to during this time of year. There are more people and cars in town and a lot of activities are going on such as concerts and parades. Take extra precautions to ensure your pet's safety. Things that are normally okay may not be safe. If you normally let your pets out without leashes, they could get lost or injured, make sure they are wearing tags and are microchipped. Keep your pets at home, the noise and activity may be too much for pets to handle. Do not leave them in the car, it is too hot for them. If you lose your pet during CFD™, look for them right away, visit the shelter, put up posters and call the local veterinarian offices. For more information, call the Cheyenne Animal Shelter at 632-6655.

## Celebrate

## Scrap Metal Drive

The Cheyenne All City Childrens Chorus wants your trash! Besides the obvious aluminum cans don't throw away those BBQ grills, metal gutters pipes or lawn furniture. Saturday, August 21, 8:00am-2:00pm, bring your wire, microwaves, washers, dryers, Christmas lights and swing sets to the VFW Post 1881, next to the KIA dealer off Nationway. We'll even take your old cell phones, cameras, car batteries and ink and laser cartridges! Sorry we can not take refrigerators. If you have a question, or need something hauled, call Lara Shook at 630-9058 before August 21. ACCC wishes to thank Ruben's Metal, the VFW Post 1881 and the whole community for all your help!
